## COMMANDANT'S MONTHLY MESSAGE

Unfortunately we buried one of our life members, retired Caldwell Police Chief Harvey Lawshe. I was honored to speak with his wife who told me that Harvey loved being a Marine and she was very proud that we memorialized him that evening. Thanks to all who showed up on that very cold night to hold services for Harvey. It isn't often that we lose one of our members and I would ask all of you to consider making a concerted effort to join us when we perform services for our departed Marines.

We are well into the new year and have lots going on. We are in need of a Quartermaster. The responsibility is to keep track of the inventory, order new merchandise, and sell the items at meetings and events. It does not require a large amount of time but it is a necessary committee. Give me a call or an email if you would like to help.

Mark your calendars with the upcoming meetings and events and let's show our Marine Corps pride!

**OLD BREED? NEW BREED? THERE'S NOT A DAMN BIT OF DIFFERENCE SO LONG AS IT'S THE MARINE BREED!**

OOH-RAH!  
*Joe Longo*

### FATHER WASHINGTON MASS

Father John P. Washington was one of four military chaplains on the torpedoed SS Dorchester who sacrificed their lives by giving away their life preservers during World War II. He was the recipient of the Distinguished Service Cross. Father Washington was a priest from St. Stephen's Parish in Kearny. In addition the father of WHD member John Holle's also went down with the ship. This event is a beautiful spectacle in remembrance of American heroism. We request that you mark the date on your calendar and join us at the mass.

### COLOR GUARD

Requests for our Color Guard at various events have drastically increased as of late, and the Color Guard is desperately in need of more members now then ever before. Understanding the difficulty our current uniform can be for some of our members such as costs, etc., the Color Guard is considering utilizing a "League" uniform instead of the traditional Dress Blues for some of our events. Dependant on member feed-back, those interested in joining the ranks of the Color Guard may wear the League uniform, which comprises of blue trousers with blood strip, Long-sleeved Khaki shirt, and windbreaker for the winter season, and short-sleeved khaki shirt for the summer season; along with the Detachment cover and web belt.

Again, the success of our Detachment has partially been achievable because of the reputation of our Color Guard. It would be a shame to allow such a traditional component of our Detachment wither to the point of extinction.

*If you know anyone who may be interested, have them call PC John Cleary.*

### VAVS

PC Perry Piwowarski and Roger Maccaganano are seeking volunteers to assist. The day and time have been selected to accommodate retired members of the detachment who are able to volunteer for this committee. Perry and Roger are proposing that we plan a trip for these veteran's to the USS Intrepid or some other point of interest this spring. Volunteers will be needed for this as well. *If you are interested in helping with VAVS contact PC Perry Piwowarski at 201-955-1176*

### QUARTERMASTER

We are seeking a volunteer Quartermaster. The duties include keeping an up to date inventory, selling our products at meetings and events and ordering new products. *If you are interested contact Cmdt. Joe Longo at 973-450-8877 or [cmdt@whdmcl.com](mailto:cmdt@whdmcl.com).*

### GIFTS FOR CHILDREN WRAP UP

The Detachment had a very successful "Gifts for Children Drive" as we were able to assist 75 families this year. Thank you to the members of the WHD who helped raise money and collect toys. Special thanks to PC Perry Piwowarski, PC Ron Leminielle, Cesar Huaman, Frank Buffardi, Joe Melione, Roger Maccagano, Tommy De Francisci, and PC John Cleary with his wife. The detachment was assisted by the Kearny Public Schools, Shop-Rite and Stop & Shop of Lyndhurst, the Carl A. Paserchia Memorial Foundation of Belleville, Belleville High School, and the Optimist Club of Belleville.
